

Joy Homeschool Co-op On-Site Guardian Authorization Document -2023-24

Joy Homeschool Co-op requires all students under the age of 16 to have a parent or guardian on site accepting the responsibility of monitoring their behavior and providing for their needs. Because I cannot be on site with my student, I give my consent and authorization to _____ to act in my place in the student's behavior and care and in the event of an emergency or any issue requiring adult intervention with my child. I understand that this authorization will remain in effect until I can be reached or return to the Joy Homeschool Co-op campus.
